

# Contributor License Agreement

A Contributor License Agreement (an "Agreement") is required to establish and define the intellectual property rights granted in connection with Contributions (defined below) from any person or entity to Duet3D Limited, a company established in the United Kingdom whose registered office is situated at Unit 75, Workspace House, 28-29 Maxwell Rd, Peterborough, PE2 7JE; and whose registered company number is 11866693 ("Duet3D"), for inclusion in any of the software products owned or managed by Duet3D (the "Work").

This agreement is for your protection as a Contributor as well as the protection of Duet3D and its users. It does not change your rights to use your own Contributions for any other purpose.

By executing this Agreement, you accept and agree to the following terms and conditions for any current or future Contributions submitted to Duet3D. For the avoidance of doubt, this Agreement will apply to each and every past, current or future Contribution made by You and submitted to Duet3D for any and all Work and a separate Agreement will not be required for future Contributions.

## 1. Definitions

- 1.1. 1.1 "You" (or "Your") shall mean the copyright owner or legal entity authorised by the copyright owner that is making this Agreement with Duet3D. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.
- 1.2. "Contribution" shall mean any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to Duet3D for inclusion in, or documentation of, any of the products or projects owned or managed by Duet3D, (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to Duet3D or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Duet3D for the purpose of discussing and improving the Work.

## 2. Grant of Copyright License

Subject to the terms and conditions of this Agreement, You hereby grant to Duet3D a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, relicense,

sublicense including through multiple levels of sublicensees or other licensing arrangements, and distribute Your Contributions and such derivative works.

### 3. Grant of Patent License

If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that Your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.

### 4. You represent, warrant and agree:

4.1. that each of Your Contributions is your original creation to the best of your knowledge and belief (see section 8 for submissions of third party work), and that you have the right to submit them. You represent that Your Contribution submissions include details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which you are personally aware and which are associated with any part of Your Contributions

4.2. You are legally entitled to grant the above licenses. If your employer(s) has rights to intellectual property that you create that includes Your Contributions, You represent that You have received permission to make Contributions on behalf of that employer, that Your employer has waived such rights for Your Contributions to Duet3D, or that Your employer has executed a separate Corporate CLA with Duet3D.

4.3. To the best of Your knowledge that any Contribution made by You does not infringe or violate any third party's copyrights, trademarks, patents or other intellectual property rights.

### 5. Except for the licenses granted herein to Duet3D, You reserve all right, title and interest in and to Your Contributions. But, notwithstanding the foregoing, You acknowledge and agree that Duet3D will be under no obligation, whether express or implied, to retain, or include in the Work, any copyright notice for, or other form of attribution with respect to, Your Contribution.

### 6. The rights that you grant to us under these terms are effective on the date you first submitted a Contribution to us, even if your submission took place before the date you sign these terms.

### 7. Further assurances

7.1. You agree to notify Duet3D of any facts or circumstances of which you become aware that would make these representations inaccurate in any respect.

7.2. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your

9. This Agreement is governed by the laws of England and Wales or an applicable law at the sole written choice of Duet3D. If one or more provisions of this Agreement are held to be illegal or unenforceable under applicable law, such illegal or unenforceable portion(s) shall be limited or excluded from this Agreement to the minimum extent required so that this Agreement shall otherwise remain in full force and effect and enforceable in accordance with its terms.
10. You agree that by submitting a Contribution (e.g., via a pull request, email, or issue), or by completing a submission form that references this CLA, you are providing your electronic signature, which has the same legal effect as a handwritten signature, and you agree to be bound by the terms of this Agreement.
